HANNA ON TOP!

Couldn't Beat Him in the Senatorial Race.

Carried the Election by a Majority of One.

The Senate Seventeen, the House Fifty-Six.

Democrats and Anti-Hanna Republicans Cast Their Votes for Mayor McKisson.

COLUMBUS, Ohio, Jan 11.—Marcus A. Hanna will succeed himself in the senate of the United States. The combine of democrats and anti-

MARCUS AURELIUS HANNA.

Hanna republicans was beaten today at 11 o'clock, when both branches of the Ohio legislature assembled in their respective chambers to ballot for United States senator. The Hanna managers made good their claims that when the time arrived they would show enough votes to elect the Cleveland man, and when the votes had been taken they showed fifty-six for Hanna in the house and seventeen in the senate, a majority of one, and enough to elect him. The two branches of the legislature will meet in joint session tomorrow and if Hanna receives the same votes he received today he will be declared elected.

Mayor Robert E. McKisson, of Cleveland, was Senator Hanna's opponent today. He is a republican and a bitter foe of Hanna.

After being in conference all night, the democratic caucus agreed on Mayor McKisson as the only representative proposed whom they would support for senator.. The democratic caucuses were stormy and long drawn out. It was found absolutely impossible to agree upon either Governor Bushnell or Charles L. Kurtz. Both names were considered and both were given up as impracticable candidates. Then the name of Mayor McKisson was suggested. The democrats demanded to know whether McKisson was a free silver man. Not content with the assurance of Myers and other leaders of the fusion, they sent for McKisson. When that gentleman appeared, he made a speech to the caucus in which he said in substance:

"Gentlemen, publicly and before the people, I am and must be a republican. But I assure you and pledge you that if elected to the United States senate by this fusion, I will stand upon the Chicago platform." This pledge was satisfactory and the caucus declared for McKisson for both the long and short terms.

THE SENATE PROCEEDINGS.

Both branches of the legislature met at 10 a. m. and many regreted that admission by ticket had not been adopted. The crowd pressed in on the floors of both bodies and as the visitors were prominent constituents they were not put out.

In the senate the bill to repeal the fifty year street railway franchise came up and it was postponed till tomorrow. The bill has been used against Senator Hanna in organizing the legislature and in the senatorial fight. It was stated soon after assembling that all senators and representatives were in their seats and both houses voted to ballot at 11 a. m. for senator.

SENATE CHAMBER CROWDED.

The senate chamber was crowded to its limit when, at 11 o'clock, the first move in the great senatorial contest was made. The report of the committee fixing the hour as the time for taking the ballot had been adopted some time before and this knowledge getting outside, the public crowed in.

When Lieutenant Governor Jones rapped for order and announced that the balloting for a United States senator was now under consideration, perfect quiet immediately reigned. Not a sound was heard.

BEGINNING OF THE END.

The people realized that the beginning of the end had come and that within a few minutes the vote that would largely determine who would be the next United States senator would come. Every senator was in his seat to record his action. At the side of many sat ladies and friends, whom they had brought in. It was just 11 o'clock when Senator Sullivan arose to nominate Senator Hanna. During the delivery of the address the senators sat perfectly quiet, taking up every possible foot of space, and yet not a sound could be heard save the words of the speaking senator.

THE SENATE VOTE.

As Senator Burke pronounced the name of Mr. McKisson there was a perfect silence, this feeling could be plainly seen in the faces of the audience.

Senator Wolcott, of Cleveland, immediately seconded the nomination of Senator Hanna.

The nomination of Mayor McKisson was seconded by Senator Finck. Lieutenant Governor Jones then announced the ballot would be taken by the senators rising in their seats and naming their choice.

Two votes, were taken, one for the short and one for the long term. The short term was voted for first and it resulted as follows:

For McKisson—Broorein, Burke, Cohen, Cromley. Decker, Doty. Finck, Harper, Jones, Kennon, Leet, Long, Miller, Mitchell, Nichols, Pugh, Robertson, Schaefer, Valentine; total, 19.

For Hanna—Alexander, Blake, Cable, Carpenter, Dodge, Garfield, Lutz, May, Plummer, Riley, Randall, Sheppard, Sullivan, Voight, Wightman, Williams, Wolcott; total, 17.

Senator Burke, of Cleveland, was the only republican in the senate who did not vote for Hanna. Senator Voight, the fusionist from Cincinnati, voted for Hanna, as did all the fusion republicans from Hamilton county, except Otis, who did not produce the dramatic scene that had been announced and was generally expected.

THE HOUSE GETS TO WORK.

At 10:40 a. m. a call of the house was demanded so as to put all on record as being present. The doors were locked and the hall was very quiet. No business was transacted during the first hour of the session. The workers of both sides were busily engaged in the lobbies. Senator Hanna, Mayor McKisson, Mr. Kurtz and other leaders kept up the contests at the hotels.

The call of th chouse showed that Representative Cramer, democratic member from Paulding county, was the only absentee, and the sergeant-at-arms was dispatched for him. Mr. Cramer is very sick. His physician forbid his attendance, but Mr. Cramer requested to be carried to the hall of the house.

On the first call, Dutton, of Morgan, and Manuel, of Montgomery, did not respond, but they were soon found in the lobby.

Quite a large delegation went to the boarding house of Representative Cramer to fight it out with his physician and family. After waiting a half hour the republicans moved that further proceedings in the house be dispensed with. As this meant to proceed with the ballot with the absence of Cramer, a close fight was made on the motion.

FIRST TEST VOTE.

The test vote resulted—56 ayes, 52 nays—and the house refused to dispense with the call and do any balloting until Cramer could be brought in. Great applause from the republican side.

Representative Kenny rose to a question of privilege and had read the charges of officers to bribe Representative John C. Otis, of Hamilton county. He offered a resolution that a committee of five be appointed at once to investigate these specific charges and any other charges of bribery affecting any member of this house. Mr. Ashford moved to amend the resolution so that said committee of five shall be empowered to investigate any other charges or persons in connection with the election of United States senator. The ayes and nays were called on every motion and there was an attempt at this juncture to delay the proceedings by the calls.

ANOTHER DEFECT.

A motion was made on the democratic side to suspend the rules and consider the Kenny resolution at once. This was defeated by the same vote of fifty-two ayes and fifty-six nays, when there was again applause on the republican side.

The votes were on strict party lines with the exception of Speaker Mason, of Cuyahoga, Representative Bramley, of Cuyahoga, Jones, of Stark, Scott, of Fulton, and Otis of Hamilton, who voted with the forty-seven democratic members. The name of Marcus A. Hanna was then presented by Representative Leland, of Noble, and seconded by T. R. Smith, of Delaware. The name of Mayor Robert E. McKisson, of Cleveland, was presented by Representative Bramley.

PRAISE FOR HANNA.

Representative Leland praised Senator Hanna in a dignified manner, but Representative Smith referred to the treachery in the party in strong terms. This brought out Representative Brambley in vigorous terms in presenting the name of McKisson. There were loud demonstrations of hisses with cries of "traitor." The nomination of McKisson was seconded by Jones, of Stark county, also a republican. The democrats took no part except in voting and applauding. Jones landed President McKinley in his speech and denounced Senator Hanna.

Representative Droste announced that he had intended to present the name of Jeptha Garrard, but he would not now do so at the request

BALLOT IN THE HOUSE.

For McKisson—Adams, Adkins, Alger, Bartlow, Bolin, Booth, Bower, Bracken, Bramley, Cline, Connolly, Cox, Doran, Gacmal, Goward, Haiden, Hater, Heyde, Hull, Hunter, Jones, Kenney, Kemney, Kempel, Ludwick, MacBroom, McCaulley, McGlinchey, Magee, Melber, Monter, Niles, O'Neill, Otis, Payne, Piper, Powell, Ross, Rothe, Russell, Rutan, Schnidier, Scott, Smalley, Spellmyer, Sivers, Swaine, Williams, Wason. Total—49.

For Hanna—Allen, Arbense, Armstrong, Ashford, Baldwin, Beatty, Bell, Bennett, Bossard, Bowman, Boxwell, Beck, Brecount, Chapman, Clark, Clifford, Davies, Davis, Drostle, Dutton, Griffith, of Clinton, Griffith of Union, Hinsdale, Howard, Johnson, Joyce, Kemper, Lane, Leeper, Leland, Love, McCormick, McCurdy, McKinnon, Manuel, Meacham, Means, Morrow, Norris, Parker, Rankin of Clark, Rankin of Fayette, Redkey, Reynolds, Roberts, Shaw, Smith, of Adams; Smith, of Delaware; Snider, Stewart, of Clark; Stewart, of Mahoning; Strimple, Swingle, Taylor, Waddell. Total, 56.

Wiley, 1; Warner, 1; Lentz, 1.

When the result of the ballot was announced, Hanna, 56; McKisson, 49; Warner, 1; Wiley, 1; Lentz, 1, there was considerable stir on the democratic side.

Speaker Mason announced that Marcus A. Hanna, having received a majority of the votes of the house, was the choice of that body for the short term. The cheering outside the halls for Hanna was re-echoed in the ears of the members as the results were announced.

The ballot was then taken for the long term and it resulted the same, its announcement being greeted with another long and loud demonstration.

On both ballots Representative Cramer was absent and there were thus only 108 votes cast, as follows: Hanna, 56; McKisson, 49; Wiley, 1; Warner, 1; Lentz, 1; absent, 1.

BOTH HOUSES ADJOURN.

The senate and the house both adjourned this afternoon until 10 o'clock tomorrow. A joint resolution was adopted to meet in joint convention at noon tomorrow to canvass the vote cast today for senator. McKisson had a majority of two in the senate today and Hanna of three over all in the house. There was no election "de jure," but there was a "de facto" election. There is nothing to prevent changes tomorrow from the votes of today, but none are expected, as the canvass has been so close and thorough.

CONGRATULATING HANNA.

When the two houses adjourned there was a general stampede for the Neil house to congratulate Senator Hanna on the result of the balloting today. The feeling for him became intensely strong today because of the charges of bribery that had been made by his enemies against some of his friends. As many believed the charges to have been sprung for effect on the eve of the balloting there were many who said they did Hanna more good than harm today.

A WILD SCENE.

A remarkable scene took place in the senate chamber when the vote from the house was announced. The republican senators, inspired by the encouraging news, stood in their chairs and upon the floor and shouted themselves hoarse, with call for Hanna and victory. Nothing like it was ever seen in an Ohio senate chamber.

"What's the matter with Hanna," they shouted and the call came back:

"He's all right."

It was several minutes before the hall was cleared.

BRYAN AND SILVER

Brought Out the Oratory in Today's Convention.

Resolution Declaring for Silver is Introduced.

The Convention Goes on Record That Way.

Hon. Thomas R. Marshall's Re-election as State Committeeman Hinged on the Chicago Platform.

The convention of the Twelfth district democrats was held in the city hall this afternoon. To elect a member of the state committee to succeed Hon. Thomas R. Marshall, of Columbia City, was the purpose of the convention.

In point of attendance and in the character of the men who were present from every part of the district, the gathering was notable. The leaders and genuine workers in the ranks of the democracy of Northern Indiana were present and their deliberations were marked by earnestness and enthusiasm.

CALLED TO ORDER.

It was after 2 o'clock when District Chairman Thomas R. Marshall brought down his gavel, summoning the convention to order. He read the call for the convention and then proceeded briefly to address the assembly.

Mr. Marshall said that the party met under circumstances which republicans were pleased to declare the full burst of prosperity. Notwithstanding this, he said, democracy met hopefully and confident of the triumph of the party and the great cause of the people it represented.

The eloquent orator from "Little Whitley" arraigned the republican party as the friend of monoply and the creator and protector of trusts. He touched up President McKinley and Senator Fairbanks, repecting the senator's recent declaration that he could vouch that the president would "keep the bond." Mr. Marshall denounced government by injunction as a new but great and rapidly extending principle that threatens the liberties of the freeman of the great American republic.

In conclusion, Mr. Marshall pleaded for an united democracy. At the close of his address Mr. Marshall announced that in view of certain announcements in morning papers he wanted to say that he was ready to step aside and that he could follow as loyally as he could lead.

CONVENTION ORGANIZED.

Hon. Willis Brown, of DeKalb county, was unanimously elected permanent chairman of the convention. On motion of Hon. Henry Colerick, Herman Michael was made secretary.

Next in order was the election of a member of the state central committee.

Mr. Brown, of DeKalb county, in an able speech nominated Hon. Thomas R. Marshall, of Columbia City.

Dr. A. S. Parker in a fervid speech demanded that before he voted he wanted a more specific declaration from Mr. Marshall respecting the silver question and the Chicago platform.

Mr. Marshall arose, in response, to say that he had always been a loyal democrat and that he always would and in all things be a loyal democrat. He declared he could would say no more.

A RESOLUTION.

Hon. Henry Colorick then arose to present the following resolution:

"Resolved, That this convention endorses the Chicago platform in every line and word and pledges itself in renewed loyalty to the gallant leader, William Jennings Bryan, and any person accepting the nomination of this convention do pledge his honor to aid in bringing about in 1900 the adoption of the same platform and the nomination of William J. Bryan."

Hon. T. E. Ellison made a strong speech endorsing Mr. Marshall for leadership.

George Louttit spoke for the resolution. Hon. O. L. Ballou, of Lagrange, made a ringing speech, both for the resolution and Mr. Marshall's re-election.

A. A. Adams, of Columbia City, made a strong address for Mr. Marshall, but opposed the resolution.

Judge W. G. Colerick made an eloquent speech for the resolution.

MR. MARSHALL ELECTED.

Finally the resolution and Mr. Marshall's name were united and passed by acclamation.

HOT ON HIS TRAIL.

Corbett Issues a Sensational Challenge.

Offers Fitzsimmons $35,000 for Another Fight and Agrees to Put Him Out in Ten Rounds.

ST. LOUIS, Jan. 11.—At the close of the second act of James J. Corbett's play, "A Naval Cadet," at Havlin's theater last night, Corbett stepped before the curtain and announced that he would offer Fitzsimmons $35,000 for a finish fight, go to Fitzsimmons to put him out

Corbett intended to issue this challenge January 17, but decided to make it public last night.

After reviewing the great battles Fitzsimmons has fought and the purses accompanying them, and stipulating some ordinary conditions as to the choice of referee, Corbett concludes his challenge with these words:

"This is my final proposition; take it or leave it. If you really want fight, it offers; if you want money, a sum is ready, exceeding your gross receipts in five battles. If you want reputation, you can make it better by meeting me than by meeting all others together. If you doubt this, ask the public each night when you exhibit.

"That is my ultimatum. I am tired of this chatter. I want work, not talk. Paper gabblings do not suit me, and abuse is a coward's weapon. If this, my last offer, will not make you meet me like a man, it is because your Carson bruises are still aching so painfully that even $35,000 cannot tempt you to endure their certain renewal. That is the only excuse you can now offer, or the American public will accept."

AT LARGE AGAIN.

Gustave Jacobs, the Insane Property Owner, Escapes.

Drives Away With John Grimm's Rig and Eludes His Pursuers--Has Money in His Possession.

Gustave Jacobs, the Fort Wayne man who was found wandering about in Orange county while in an unbalanced mental condition, has again escaped and is at large. Jacobs, it will be remembered, had a large amount of money on his person when he left here. This was traced and found in Memphis and was turned over to Gus Wineke, son-in-law of Jacobs, of Chicago, who came here yesterday to take charge of the old man and take him to that city. Yesterday afternoon Wineke borrowed a rig of John Grimm, the meat dealer, and started out with Jacobs, intending to pay some bills which the latter owed. About 4 o'clock he drove up to the office of Dr. Rosenthal, on West Berry street, and went in to pay a bill. Jacobs, who was left alone in the carriage, took advantage of this laxity of vigilance and drove quickly away. His absence was soon discovered and Sheriff Melching was notified, but all efforts to find the man have so far proved unavailing. Jacobs is clearly insane. He had a small amount of money in his pockets.

Up to a late hour this afternoon nothing had been heard of the missing man.

The couple will reside in Stony Island, where Dr. Slater has built up a large and lucrative business in the practice of medicine. He is the Nickel Plate's surgeon at that point.

SCALDED!

Shocking Accident to Baby Carl Keller.

Falls Into a Boiler Containing Hot Water,

And Its Tender Flesh is Literally Cooked.

Child Lives in Awful Agony, but Its Death Seems a Matter of Only a Few Hours --Other Accidents.

This morning Carl, the three and a half years old child of Mr. and Mrs. Paul Keller, of 75 Wall street, fell into a wash boiler containing hot water and was so badly scalded that it will probably die. Mrs. Keller was scrubbing the floor and the boiler stood near at hand where she could reach it with the brush she was using. Her baby boy ran into the room and in an effort to escape hitting the boiler he turned suddenly and slipped, falling backwards into the steaming contents. The child's entire body was immersed. The intense pain threw the little one into spasms. When the clothes were removed patches of flesh came off with the garments which were worn next to the skin. Dr. Merz was summoned and he is doing all that is possible to save the unfortunate baby's life. There seems to be little or no hope for its recovery.

AN UGLY GASH.

John Mullen, special officer, had his left hand badly cut on a piece of sheet iron this morning. The wound was carefully dressed and unless blood poison sets in it will heal in a short time.

FALL CAUSED BY ICE.

Mrs. Martha A. Bishop, of 13 Erie street, while walking in the yard at her home this morning, fell on a slippery sidewalk, striking her head on the edge of a board and sustaining a severe scalp wound. Her back was also badly wrenched. The lady suffers much pain and as a result of her injuries will be obliged to remain in the house for several days, and perhaps weeks.

ANKLE SPRAINED.

L. D. Ward, a traveling salesman, suffers with a sprained ankle, the result of a fall. He will be kept from his regular duties several weeks.

REV. SAM SMALL

Finds "Backslidden Israel" a Fruitful Theme.

Preaches Against the Apathy Too General Among Church Memberships--A Large Attendance.

Rev. Sam Small preached against the apathy which seems so general among the church membership today. He said he was surprised, dumbfounded and almost paralyzed to see how utterly unconcerned many of the followers of Jesus Christ appeared to be. He selected his text from II Peter, the second chapter and twenty-first verse: "For it had been better for them not to have known it, to turn from the holy commandment delivered unto them." He said in part:

"The obligations of the church rest too lightly upon the average member of today. The world looking on at the church says, 'the church is not what it should, beand is not occupying the exalted position she should.' And because of these little deficiencies and short-comings the world hesitates about uniting themselves and their destinies to such an organization. The world knows Christ as well as we do and because they fail to find Christ represented in the church, they have no great love for it.

"The church of Jesus Christ cannot distribute the cordials of heaven to this sin cursed generation and recommend them as a panacea for all the ills that humanity is heir to, while they themselves are covered with leprosy of sin and suffering from the malignanty of these very things. The physician must heal himself. The church must get their religion into their lives. It must have the stamp of genuineness on the face of it."

Then Mr. Small made a call for the thorough consecration of the membership of the church, and many pressed toward the altar and prayed for a mighty work in our city. These meetings will be continued each evening this week in the Berry street church. The afternoon meetings will be held at Trinity M. E. church, corner Fourth and Cass streets.

FATAL RELAPSE.

Miss Louise Hattendorf Dies of Typhoid Fever.

Her Brother Died of the Same Disease Four Weeks Ago--Death of Little John Dondero.

Miss Louise Hattendorf answered the beckon of the death angel last evening, at the St. Joseph hospital, having suffered a relapse of typhoid fever after her recovery seemed almost certain. Deceased was the daughter of Mrs. Caroline Hattendorf, of No. 80 St. Mary's avenue, and was the second one in the family to succumb to the disease. Her brother, William Hattendorf, died four weeks ago. The young lady was ill at that time and was taken to the hospital, where she partly recovered. Deceased was nineteen years and six months of age. The funeral will take place Thursday, at 1:30 p. m., from the house, and 2 o'clock from Trinity Lutheran church.

DONDERO.

John, the six-year-old son of Mr. and Mrs. Philip Dondero, died of measles this morning. The funeral will take place Thursday at 8:30 a. m., from the house, 45 East Main street, and 9 o'clock from the Cathedral.

FUNERAL OF JOHN CARROLL.

The funeral of John Carroll will take place tomorrow morning at 9 o'clock from the Cathedral, and will be conducted under the auspices of the Catholic Knights of America. The remains will be shipped to South Bend for interment.

GREATEST OF ALL.

The Tri-State Building and Loan Association.

Capital Stock of the Institution Increased to $5,000,000--Is Largest in the Country.

Capital stock, $5,000,000.

This may now be written of the Tri-State Building and Loan association of Fort Wayne, which now ranks as the greatest local financial institution of its kind in the United States. Its capital stock of $5,000,000 exceeds that of any other like association in the country.

This condition began last night with the consolidation of the three Tri-State associations of this city. This move is the consummation of a plan that had for some time been talked of and at last night's meeting was effected. All the stockholders were either present or represented.

Tri-State Building and Loan association No. 1, No. 2 and No. 3 are now one, and will still be known by the old title, without the numerical distinction. The consolidated association assumes all liabilities and becomes the owner of all the assets of the three companies. The stockholders participate in the assessments and benefits of each respective class, without regard to the association in which the stock was issued.

The officers of the Tri-State Building and Loan association as well as the directors, will serve in their several capacities in the consolidated association, C. A. Wilding remaining as secretary.

The same by-laws will govern the consolidated association as have heretofore governed the separate ones.

DRINK AND RUIN

Seem to be the Fate of Ed Mommer, the Barber.

Young Man Creates Another Sensation on Broadway This Morning--Notes in Police Circles.

Ed. Mommer, a Broadway barber, was arrested a few weeks ago for harboring a den of snakes in his place of business. The reptiles existed only in the liquor crazed brain of the proprietor but he was so determined to cut off the tails of the imaginary foes that the lives of persons in proximity to the scene were endangered and to save bloodshed the barber was taken to the police station. His fine was paid and he was taken in hand by friends, who secured a promise from him that he would keep sober. He kept his word until this morning, when he broke out again. Fearing that another battle with the snakes would be fought the neighbors in great alarm had the patrol wagon sent for. The barber was taken a prisoner and sentenced to jail for a term of thirty days. He will be sober when he comes out.

NOTES.

Two vagrants arrested by Detective Nicely were let go this morning.

Three train jumpers were arrested by the Pennsylvania officers today.

The police authorities here were notified by telegram today that Teddy Hogan, the mailbox thief and forger of checks, has lately operated in Pittsburg. Postoffice Inspector Moore, of whose visit here THE SENTINEL gave the particulars yesterday, has given the city officers and the banks all the information necessary to apprehend the wily criminal if he ever strikes Fort Wayne. Hogan is a desperate and dangerous crook, whose operations in the last year have covered more than $50,000.

A pitiable case of destitution came to the notice of Officer Richardson yesterday afternoon. William McCoy and wife walked into the city from the west, pushing a cart in which two little children were seated. They were all in rags and suffering with cold and hunger. Mr. McCoy stated to the officer that they were on their way to Lima, Ohio, where his father resided. It was their intention to walk all the way. Township Trustee Schmetzer's attention was called to the case and he furnished the unfortunates with a good square meal and transportation to Lima.

E. W. Harvey, of Zanesville, Ohio, representing the Star Soap company, is at the Randall.

PATENT LAWS

The commissioner is given authority to disbar from practice any attorney shown to be incompetent, disreputable, or who refuses to comply with the rules and regulations, or who misleads or threatens any applicant for a patent in any manner whatsoever. All persons desiring to practice shall be required to register, the fee for certificate of registration to be $10. The commissioner is authorized to appoint committees to determine by examination the qualifications of applicants for registration. After the first of July next no person shall be entitled to describe himself as a patent agent or attorney unless he is registered as such and for violation of this a fine not exceeding $500 is imposed. Some of these provisions are now in operation in the office.

NEWS OF THE COURTS.

A Mismated Couple After Divorce--Other Court Notes.

Samuel G. Ferguson has applied to the circuit court for a divorce from Electa L. Ferguson.

THE longer General Miles is at home the more apparent it becomes that he absorbed too much while in Europe.

KURTZ of Ohio has made himself feared by the Hanna politicians even if he has not made himself generally popular with them.

THE plan to defeat Mark Hanna may be a wicked conspiracy, but there are a mighty big lot of people interested in its success.

THE suspicion gains ground that William D. Bynum has made his escape through the far end of the hole into which he retired some months ago.

THE people of the United States are not so much concerned for a market for American securities abroad as they are for a market for their labor at home. The bugbear of "European distrust" of our finances has not only been overworked but is about worn out.

A NEBRASKA republican has been appointed national bank examiner for the state of Kansas. This is probably notice served on William Jennings Bryan that there are a few others scattered along the banks of the Platte.

THE fun in Ohio will not all be over with the election of a senator. The hilarity of the past few days will crop out here and there in very frequent spots and occasionally in large patches every time there is a campaign for many years to come.

A PENNSYLVANIA democrat died and left his two grandsons $1,000 each on condition that they should support the democratic party through life. The old gentleman had a high and patriotic appreciation of the needs of his republican-ridden state and the legatees will live to understand that there can be no reward without merit.

A COURAGEOUS and nervy female in Chicago put to rout with her hatpin two hold-up men who were attempting to rape a street car conductor of his cash. This exploit presents a possible solution of the problem of the best means of grappling with a great and growing embarrassment to persons who are obliged to be abroad.

IN ORDER to impress some Indians with the scintillating glories of the pale face civilization, two Seminoles in Indian Territory were burned at the stake by a mob of white men. From the day Europeans first set foot on American soil the Indian has had before him a constant object lesson of the Caucasian theory that the way to civilize a savage is to first rob and then wipe him out of existence. Poor Lo is good only when he is dead and he knows it.

THE Morning Journal has suggested the name of Hon. Walpole G. Colerick, of this city, as a fine possibility for the next United States senatorship from Indiana. It is worth considering from several points of view. Northern Indiana is entitled to representation in the United States senate. No man north of Indianapolis has occupied a seat in that body since the expiration of the term of Senator Pratt—who was from Logansport—upwards of twenty-five years ago. Northern Indiana democrats can present no better man than Judge Colerick. His pre-eminent abilities fit him for and his splendid services as a democrat entitle him to such a distinction. The democracy of the northern part of the state can find no better man around whom to rally in demand of recognition.

THE friends of silver may take both consolation and courage from President McKinley. In an interview with Senator Chandler, the most notable of all eastern bimetallists, the president declared himself in favor of the double standard—gold and silver as basic money—and expressed himself as yet hopeful that an international agreement for the restoration of bimetallism would be reached. He further stated that he expected to send his envoys abroad again to labor with the financiers and governments of Europe to this end. Such a statement coming through Senator Chandler deserves credence. Moreover, it is entirely consistent with Mr. McKinley's public record up to the time eastern gold-mongers made a political platform for him to stand upon as a presidential candidate. But it is distressingly out of harmony with the president's message, with the recommendations of Secretary Gage and the currency "reform" bill prepared by the monetary commission. From this triple source the country has been informed that the single gold standard is the only sensible and scientific standard and that it is the purpose of the republican party to fasten it permanently upon the country. To send bimetallic envoys abroad while the government is preparing to redeem silver dollars with gold is to invite ridicule and humiliation for them from European financiers.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

TALKED OF BATTLES.

The Rev. Dr. W. A. Spencer at Wayne Street Church.

Was an Eye Witness of and Participated in Some of the Great Battles of the Civil War.

There was a large audience assembled at the Wayne Street M. E. church last evening to listen to the Rev. Dr. W. A. Spencer of Philadelphia. His topic was the "Great Battle Fields of the World."

Dr. Spencer was in the Union army for four years. He was an eye witness and a participator in many of the great battles of the late war. His lecture was a masterly review and comparison of the conflicts of ancient and modern times. It was replete with anecdotes and incidents. It abounded in fine description, in thrilling passages and eloquent flights. It was punctuated with tears, laughter and applause. It was of particular interest to the old soldiers, for he paid them many a hearty compliment. The many youths present received a good lesson in patriotism. Indiana was praised for its noble sacrifices in men, and its exhibitions of heroism on many fields of blood.

The Tri-State Building and Loan association has increased its capital to $5,000,000. The step is taken to facilitate bookkeeping, as under the new arrangement there will be only one set of books instead of three.

MILLIONS IN MONEY SAVED.

This Method of Saving Helps to Enrich the People.

How the People are Saving More Money Than in Any Other Way.

A Way to Have What is Needed and Yet Save Enormous Sums.

The great millionaire, Rothschilds, said: "To save money is the secret of riches."

There are few larger expenses in the household than doctor's fees, together with the cost of filling prescriptions. Hundreds of millions of dollars are thus spent annually. It is evident, therefore, if this vast expense can be stopped, it will result in an enormous saving to the people.

Community is becoming keenly alive to this fact, since the people are rapidly learning the great truth that Dr. Greene's Nervura blood and nerve remedy is fast taking the place of physicians and their prescriptions in households everywhere, and that this really wonderful medicine will cure in cases where even physicians fail. People are waking to the sure and indisputable fact that a few bottles of Dr. Greene's Nervura will do more good in the average case than a hundred dollars spent in physician's fees and prescriptions.

Mr. L. W. Paul, 7 Market St., Somersworth, N. H., says:—
"I first took Dr. Greene's Nervura blood and nerve remedy because I felt that my blood was in a poor state and needed cleansing; besides, I was troubled with shooting pains through my chest. The pains affected me badly in walking, and at times would almost cut my breath off. I had read the lectures of Dr. Greene, and felt that he was a well-read physician and competent to prepare a medicine capable of benefiting the system; then again, I knew that influential people were using the Nervura and speaking very highly of it, so I determined to try it. I only used one bottle of Dr. Greene's Nervura blood and nerve remedy and it cured me. I have not felt the need of medicine since the first bottle."

You can be cured by Dr. Greene's Nervura blood and nerve remedy at the trifling expense of a few dollars, and in this way perhaps save hundreds for your family.

KNIGHTS WILL MEET

Mass Meeting of the C. K. of A. of This City.

Important Session Will be Held at Library Hall Next Sunday Afternoon—Bishop Will Make Suggestions.

A mass meeting of the Catholic Knights of America of this city has been called for next Sunday afternoon, at Library hall. The object of the meeting is principally to listen to an address by the Rt. Rev. Bishop Rademacher, who will make some suggestions with reference to the conducting of affairs in the order. The local branches of the city are as follows: St. Bernard, No. 103, of the Cathedral congregation; Father Delaney, No. 715, of St. Patrick's; St. George's, No. 737, of St. Peter's; St. John's, No. 566, of St. Mary's. The meeting will tax the capacity of Library hall.

JOINT INSTITUTE.

Teachers of Wayne and Washington Townships Have an Instructive Session.

The joint institute of the teachers of Wayne and Washington townships was held at the county superintendent's office, January 8, 1898. All of the teachers were present at the forenoon session, a good indication for the coming year.

The opening exercises consisted of a duet by Miss Shives and Mr. Arnold. The second book of "Plato's Republic," was discussed by Misses Green and Graham and Messrs. Clark and Baird. Comment was general and the discussion took a wide range, embracing much that was foreign to the subject.

County Superintendent Young gave an extended talk upon the false aims and purposes of our present system of education. He stated as his opion that our present school laws have outlived their usefulness and should be changed radically, if not entirely reversed.

The first exercise of the afternoon session was a duet, Longfellow's "Rainy Day," by Miss Shives and Mr. Arnold. The geography work was presented by Mr. Arnold and Miss Goshorn. This was followed by a general discussion. "Teaching the Language Arts," was given by Misses Myers, Walkly and Dalman and Mr. Pratt. Miss Green recited an extract from Whittiers' "Snow Bound." Miss Green not only recites well, but also selects well. The institute adjourned to meet at the county superintendent's office, February 5th.

Great Excitement Reigns in Youngstown Over the Arrival of Mrs. Dr. Stanley.

Mrs. Dr. Stanley, the English Palmist and Psychic, who is visiting Youngstown for the third time, is exciting widespread attention. She is visited by the elite of the city, who speak in the highest praise of her remarkable psychic powers. Of one accord all who have visited her pronounce her a marvel, as she relates to them facts so astonishingly true, things they thought no one but themselves knew. Her Palm Readings are most interesting and instructive, and everyone who visits her is well repaid.

[From a Justice of the Peace.]

Mrs. Dr. L. E. Stanley—Much is being said of the above lady and indeed she is marvelous, and I would advise any person or persons that wish to embark in business to call upon her without delay, before entering therein.

Many a man who would be startled at the bare thought of sitting down and deliberately drinking a dose of poison, allows himself to be regularly and systematically poisoned day after day by accumulations of bile in the blood.

When the liver fails to do its regular work of filtering this bilious poison out of the circulation, it goes on poisoning the entire constitution just as surely as if a man was drinking prussic acid.

Every part of the body is polluted. The digestive juices are suppressed and weakened. The kidneys and skin are clogged with impurities and the lungs and bronchial tubes overloaded with morbid secretion which eat away the delicate tissue, and bring about bronchitis and consumption.

All the diseases caused by this subtle process of bilious poisoning are cured by the marvelous alterative action of Dr. Pierce's Golden Medical Discovery. It directly increases the liver's natural excretive and purifying powers; gives the digestive and blood-making organs power to manufacture an abundance of red, rich, healthy blood. It drives out all impurities, and vitalizes the circulation with the life-giving elements which restore perfect nutrition, solid muscular power, and healthy nerve-force.

"In August 1895, I was taken down in bed with a burning and severe pains in my stomach and under my shoulders, and dizziness in my head," writes Ira D. Herring, Esq., of Needmore, Levy Co., Fla. "My home physician was called and he said my symptoms were more like consumption than anything else. I lingered in this way seven months trying different kinds of medicine. Nothing that I ate would digest, and I had great distress in my stomach. I was persuaded to try some of Dr. Pierce's remedies as a last resort, which I thought of my case. I wrote him and received an answer stating that my suffering was from indigestion and torpid liver, and advising me to take Dr. Pierce's Golden Medical Discovery. The first bottle gave pleasing results. I have taken four bottles of the Golden Medical Discovery and three small vials of the Pleasant Pellets, and am able to do my work and eat what I could not before I took these medicines."

SHOP AND RAIL.

A Lake Erie and Western Train Has a Mishap.

A Slight Blaze in a Passenger Depot—New Electrical Motor—Local Gossip.

Passenger train No. 43, on the Lake Erie and Western road, which left this city yesterday afternoon at 4 o'clock, collided with a car loaded with steel rails just south of the city limits of Muncie, wrecking the engine and shaking up the train crew and the passengers, but not seriously hurting any of them. William Neff had a rib fractured, D. M. Tuttle and F. Farquhar each had their face and lips cut, Hannah Garrett had one of her limbs sprained and Postal Clerk Kennedy received a cut on his head by a falling lamp. All of the injured, except the postal clerk, reside in Cowen, Ind., and none were so badly hurt as to prevent them from continuing their journey. This is the first serious accident that has happened on this branch of the Lake Erie and Western since the accident at the junction, west of the city, in which Engineer Robert Kelley was burned.

NEW RAILROAD PROJECT.

TACOMA, Wash., Jan. 11.—It is definitely announced by A. C. Bratnober that the Rothschilds would build a railroad into the Yukon country over the Dalton trail. His brother, Henry Bratnober, of San Francisco, who is the Rotschild's western representative has the enterprise in charge. The railroad will be about 400 miles long. The cost of construction and equipment is estimated at $8,000,000.

PERSONAL AND OTHERWISE.

Blacksmith Frank Opatz, of the Pittsburg shops, is sick and off duty.

R. Drake, Nickel Plate fireman, has gone to Cleveland, Ohio, to visit friends a few days.

In the last five months the Wabash has reduced its floating debt from $800,000 to $400,000.

Another silk train passed through this city over the Pittsburg road this morning at an early hour.

John Muirhead, machinist at the Wabash shops, reported for duty this morning after an illness of a few days.

Master Mechanic B. Fitzpatrick, of the Pennsylvania, is in Cleveland today on business connected with his office.

Robert Reilly, stenographer to Superintendent Gorham, has gone to West Baden, Ind., for the benefit of his health.

After an illness of two weeks, Philip Rupp has resumed his duties as stationary engineer in the Pittsburg blacksmith shop.

John Smith is a new name on the Electric corporation's pay roll. He went to work in the machine department this morning.

M. Diedrich and A. Staley, Nickel Plate brakemen, are at work again, after an absence of a few days on account of sickness in their families. Brakemen J. Hamilton and L. Schoonover, also of the Nickel Plate, have resumed work after being absent on account of private business a few days.

The Bass works today shipped a large boiler to the Pennsylvania shops in Columbus, Ohio, where it will be erected in a few days.

W. S. Parry, for some months a bill clerk in the Wabash freight office, resigned last night. The position he vacated will be abolished temporarily.

E. A. Ford, general passenger agent of the Pennsylvania lines west, who for ten days has been on a business trip west, returned to Pittsburg on Saturday.

Engines 30 and 341 have been repaired and turned out of the Pittsburg shops, and engines 331 and 284 were taken into that establishment this morning for repairs.

A car in a Wabash train jumped the track at the Hanna street crossing at 6:30 o'clock this morning and blocked the railway and the street for a half-hour. Nobody hurt.

David McClure, of Toledo, formerly employed in the Wabash shops in this city, is visiting his old friends here. He is a son of the well known passenger engineer, Jack McClure.

A truck under the dining car in Nickel Plate train No. 4 became deranged yesterday and had to be cut out here for repairs. The work was completed in time for the car to be attached to No. 6 and sent east.

D. B. Kehler went to Eaton, Ind., today, to visit the works of the Old Fort Manufacturing company. F. A. Lamont, foreman of the works, who has been in the city several days on business, returned with him.

Ambrose Ward, the Pittsburg conductor who lost a leg a few weeks ago, is progressing in the direction of recovery in a most satisfactory manner. He was able to sit up yesterday for the first time since the accident.

George Scott, the veteran machinist who fell and broke the bone of his right thigh last Saturday afternoon, was taken from Hope hospital to his home on East Lewis street last night. The move was made upon the solicitation of the family. The unfortunate man appears to be getting along all right and the hope is entertained that the broken bone will speedily knit, notwithstanding the age of the patient.

Smoke and a tiny blaze was discovered issuing from a crack in the wainscoting, near the chimney, in the passenger station of the Lake Shore road at 3:30 yesterday afternoon. The flames were extinguished before any damage resulted, but it was a narrow escape, as the fire was in a place where it could not be readily seen and where there was plenty of combustible material for it to feed upon. One of the railway employes put out the fire and the department was not called.

Edward Leach is lying at the point of death at his home, on Eckert street. The old gentleman has been ailing for a long time and for the past two years has been unable to do any work. Mr. Leach worked in the Pittsburg shops forty years, most of that time in the tank department. When incapacitated by disease and age he went to Wisconsin, where he spent several months with his daughter. Last summer he returned to this city and has been sick ever since.

CARPENTERS MEET

Tomorrow Night and a Great Success is Assured.

Kennedy's Work in the Field of Organization Begins to Bear Fruit.

The work of booming the building trades through the efforts of D. F. Kennedy continues to go onward, and there is every evidence that Mr. Kennedy's labors in this field will bear abundant fruit.

Tomorrow evening at Nimrod hall, No. 54 East Main street, an open meeting will be held by Mr. Kennedy for the carpenters, both bosses and journeymen, and it is the desire of Mr. Kennedy that every carpenter in the city, employer and employe, attend the meeting. Mr. Kennedy has had thirty years experience in the building trade and has during that time been both a boss and a journeyman, and therefore is in a position to be informed on both sides of the question. Members of all other building trades in the city, such as hod carriers, painters, paper hangers, tinners, stone cutters, brick layers, stone masons, etc., will be welcome.

Last night, at the Jolly 65 hall, Mr. Kennedy met with a number of plasterers and talked to them on matters pertaining to the trade. His talk was straightforward, business-like and to the point. In the course of his remarks he told those present that the building trades were never in better condition for a mutual understanding between the bosses and journeymen than at the present time and gave reasons for his belief, and at the conclusion of his remarks his listeners, composed of bosses and journeymen, indorsed his ideas. Another meeting of plasterers will be held at the small hall of the A. O. U. W., corner of Superior and Calhoun streets, Thursday evening, and every plasterer present last night agreed to do his share towards bringing out all the plasterers in the city to the meeting. Other building trades can attend.

At the conclusion of the plasterers' meeting Mr. Kennedy, by invitation, called on the Barbers' union, and delivered a short address, which was full of good points and which was heartily applauded by the large number of barbers present.

Tonight Mr. Kennedy will deliver an address to an open meeting of Machinists upon the invitation of the Machinists' union.

Friday night another meeting will be held for the women of the city at the A. O. U. W. hall, corner of Superior and Calhoun streets. Every working woman in the city is urged to be present. In addition to speaking by Mr. Kennedy, a fine musical program will be rendered and everything done to make the attendance of the ladies agreeable. Men are urged to bring their mothers, wives, daughters, sisters, and all other lady relatives and friends to the meeting of Friday evening.

A brilliant dancing party was given at the Fort Wayne club by Mr. and Mrs. E. C. Barode last evening for their daughters, Miss Valette and Miss Emma Rurode. Miss Alice Hardin, of Fulton, Ill., was a guest of honor. The decorations in natural vines and festoons of arbor vitæ were elaborate and beautiful, the costumes exquisite, the music entrancing. Beincke's full orchestra was present. Supper was served in the ladies' dining rooms and a of bowl punch quenched the thirst of the dancers. The guests numbered about one hundred.

J. W. Hamilton, an attorney of Eaton, Ind., is in the city.

SETTLES NERVOUS BANKRUPTCY

Statistics show that ninety-five per cent. of all persons engaged in business in the United States fail. Investigation shows that men who succeed are men of brains, strong nerves, great will-power. Ordinary food and drink cannot supply the vital force which people with active brains and body require. **Bicola Pills** feed the nerves, make the mind bright, muscles strong, MAKE FLESH AND BLOOD and new energy, and give perfect manhood with all that perfect physicial condition means. **Bicola Pills** are a great tonic FOR WOMEN—they give health and strength to the special organs and nerve centers. The TURNERS OF PHILADELPHIA **make Bicola Pills.**

J. E. Buck, Chief Clerk National Hotel, Washington, D. C., testifies as follows: "I was all run down, had no appetite, troubled with sleeplessness, pains in the head, was a shadow of my former self. Your **Bicola Pills** have given me most wonderful relief. I have gained over twenty pounds, have a good appetite, sleep well and am my old self once more."

Six Hundred Dollars for the Relief of Firemen.

Report of the Firemen's Relief Association Shows That This Amount Was Disbursed Last Year.

City Clerk Monning this morning received the annual report of the Firemen's Relief association for presentation to the council this evening. The report is interesting, inasmuch as it shows that last year the sum of $600 was disbursed for the relief of sick or disabled firemen. The association has on hand $2,393.21 in cash and $352.86 invested in city improvement bonds. It has proved a blessing and will be maintained as a permanent auxiliary to the firemen's department.

Last Sunday, at Birmingham, Ala., occurred the wedding of Miss Rose Stubbs and Henry Durst. The home of the bride is at Camden, Ohio, but for several years she attended school at Westminster seminary, in this city, where her sister had charge of the art department. Mr. and Mrs. Durst met in Birmingham, where she had been staying with a sister. The ceremony was to have taken place last June but was postponed owing to the young lady's illness.

THE Judge General Miles is at home the more apparent it becomes that he absorbed too much while in Europe

KURTZ of Ohio has made himself feared by the Hanna politicians even if he has not made himself generally popular with them

THE plan to defeat Mark Hanna may be a wicked conspiracy, but there are a mighty big lot of people interested in its success

THE suspicion gains ground that William D Bynum has made his escape through the far end of the hole into which he retired some months ago

THE people of the United States are not so much concerned for a market for American securities abroad as they are for a market for their labor at home The bugbear of "European distrust" of our financial—which was from Logansport—upwards of twenty five years ago Northern Indiana democrats experienced better than Judge Colerick His pre eminent abilities fit him for and his splendid services as a democratic battle horse should not be overlooked but used to the best advantage

A NEW organization has been appointed in Indiana Paul Comner is the chief promoter This is probably the second in Western Indiana within a year the other one being organized by Hon Thomas Ryan of the Plain

THE Hon Oh will not be overwhelmed by the scratch the hilarity with the past few days will be pointed out and their favorite topics and cussed all in large part because a time of such campaign harmony as we have not come

A PENNSYLVANIAN democrat died and left his five grandchildren $1 00 each on condition that they should support the Democratic party through life The old gentleman had a high and patriotic appreciation of the needs of his republican old state and the legatees will have to understand that there can be no reward without merit

A GREAT crowd and many females in Chicago put to rout with hot hot pan two hold up men who were attempting to rape a street car conductor of his cash This exploit presents a possible solution of the problem of the best means of grappling with a great and growing embarrassment to persons who are obliged to be abroad

IN ORDER to impress some Indians with the scintillating glories of the pale face civilization two Seminoles in Indian Territory were burned at the stake by a mob of white men From the day Europeans first set foot on American soil the Indian has had before him a constant object lesson of the Caucasian theory that the way to civilize a savage is to first rob and then wipe him out of existence Poor Lo is good only when he is dead and he knows it

THE Morning Journal has suggested the name of Hon Walpole G Colerick of this city as a fine possibility for the next United States senatorship from Indiana It is worth considering from several points of view Northern Indiana is entitled to representation in the United States senate No man north of Indianapolis has occupied a seat in that body since the expiration of the term of Senator Pratt —which was from Logansport—upwards of twenty five years ago Northern Indiana democrats experienced better than Judge Colerick His pre eminent abilities fit him for and his splendid services as a democratic battle horse should not be overlooked but used to the best advantage

THE friends of silver may take better solution and courage from President McKinley In an interview with Senator Chandler, the most notable of all eastern bimetallists the president declared himself in favor of the double standard—gold and silver as basic money—and expressed himself as yet hopeful that an international agreement for the restoration of bimetallism would be reached He further stated that he expected to send his envoys abroad again to labor with the financiers and governments of Europe to this end Such a statement coming through Senator Chandler deserves credence Moreover it is entirely consistent with Mr McKinley's public record up to the time eastern gold mongers made a political platform for him to stand upon as a presidential candidate But it is distressingly out of harmony with the president's message with the recommendations of Secretary Gage and the currency reform bill prepared by the monetary commission From this triple source the country has been informed that the single gold standard is the only sensible and scientific standard and that it is the purpose of the republican party to fasten it permanently upon the country To send bimetallic envoys abroad while the government is preparing to redeem silver dollars with gold is to invite ridicule and humiliation for them from European financiers

MILLIONS IN MONEY SAVED.

This Method of Saving Helps to Enrich the People.

How the People are Saving More Money Than in Any Other Way.

A Way to Have What is Needed and Yet Save Enormous Sums.

The great millionaire Rothschilds said "I save money as the secret of riches" There are few larger expenses in the household than doctors fees together with the cost of filling prescriptions Hundreds of millions of dollars are thus spent annually It is evident, therefore, if this vast expense can be stopped, it will result in an enormous saving to the people

Community is becoming keenly alive to this fact, since the people are rapidly learning the great truth that Dr Greene's Nervura blood and nerve remedy is fast taking the place of physicians and their prescriptions in households everywhere and that this really wonderful medicine will cure in cases where even physicians fail People are waking to the sure and indisputable fact that a few bottles of Dr Greene's Nervura will do more good in the severe case than a hundred dollars spent in physician's fees and prescriptions

Mr L. W. Paul 7 Market St Somerworth, N H, says —

I first took Dr Greene's Nervura blood and nerve remedy because I felt that my blood was in a poor state and needed cleansing, besides I was troubled with shooting pains through my chest The pains affected me badly in walking, and at times would almost cut my breath off I had read the lectures of Dr. Greene, and felt that he was a well read physician and competent to prepare a medicine capable of benefiting the system, then again, I knew that influential people were using the Nervura and speaking very highly of it, so I determined to try it I only used one bottle of Dr Greene's Nervura blood and nerve remedy and it cured me I have not felt the need of medicine since the first bottle

No one can be sure that Dr Greene Nervura blood and nerve remedy is the trifling expense of two dollars and it may perhaps save a fortune for your family

SHOP AND RAIL.

A Lake Erie and Western Train Has a Mishap.

A Slight Blaze in a Passenger Depot—New Electrical Motor—Local Gossip.

Passenger train No. 13, on the Lake Erie and Western road, which left this city yesterday afternoon at 4 o'clock, collided with a car loaded with steel rails just south of the city limits of Muncie, wrecking the engine and shaking up the train crew and the passengers, but not seriously hurting any of them. William Neff had a rib fractured, D. M. Tuttle and F. Farquhar each had their face and lips cut, Hannah Garrett had one of her limbs sprained and Postal Clerk Kennedy received a cut on his head by a falling lamp. All of the injured, except the postal clerk, reside in Cowen, Ind., and none were so badly hurt as to prevent them from continuing their journey. This is the first serious accident that has happened on this branch of the Lake Erie and Western since the accident at the junction, west of the city, in which Engineer Robert Kelley was burned.

NEW RAILROAD PROJECT.

TACOMA, Wash., Jan. 11.—It is definitely announced by A. C. Bratnober that the Rothschilds would build a railroad into the Yukon country over the Dalton trail. His brother, Henry Bratnober, of San Francisco, who is the Rotschild's western representative has the enterprise in charge. The railroad will be about 400 miles long. The cost of construction and equipment is estimated at $8,000,000.

PERSONAL AND OTHERWISE.

Blacksmith Frank Opatz, of the Pittsburg shops, is sick and off duty.

R. Drake, Nickel Plate fireman, has gone to Cleveland, Ohio, to visit friends a few days.

In the last five months the Wabash has reduced its floating debt from $800,000 to $400,000.

Another silk train passed through this city over the Pittsburg road this morning at an early hour.

John Muirhead, machinist at the Wabash shops, reported for duty this morning after an illness of a few days.

Master Mechanic B. Fitzpatrick, of the Pennsylvania, is in Cleveland today on business connected with his office.

Robert Reilly, stenographer to Superintendent Gorham, has gone to West Baden, Ind., for the benefit of his health.

After an illness of two weeks, Philip Rupp has resumed his duties as stationary engineer in the Pittsburg blacksmith shop.

John Smith is a new name on the Electric corporation's pay roll. He went to work in the machine department this morning.

M. Diedrich and A. Staley, Nickel Plate brakemen, are at work again, after an absence of a few days on account of sickness in their families. Brakemen J. Hamilton and L. Schoonover, also of the Nickel Plate, have resumed work after being absent on account of private business a few days.

The Bass works today shipped a large boiler to the Pennsylvania shops in Columbus, Ohio, where it will be erected in a few days.

W. S. Parry, for some months a bill clerk in the Wabash freight office, resigned last night. The position he vacated will be abolished temporarily.

L. A. Ford, general passenger agent of the Pennsylvania lines west, who for ten days has been on a business trip west, returned to Pittsburg on Saturday.

Engines 30 and 311 have been repaired and turned out of the Pittsburg shops, and engines 331 and 284 were taken into that establishment this morning for repairs.

A car in a Wabash train jumped the track at the Hanna street crossing at 5:20 o'clock this morning and blocked the railway and the street for a half-hour. Nobody hurt.

David McClure, of Toledo, formerly employed in the Wabash shops in this city, is visiting his old friends here. He is a son of the well known passenger engineer, Jack McClure.

A truck under the dining car in Nickel Plate train No. 4 became deranged yesterday and had to be cut out here for repairs. The work was completed in time for the car to be attached to No. 6 and sent east.

D. B. Kehler went to Eaton, Ind., today, to visit the works of the Old Fort Manufacturing company. F. A. Lamont, foreman of the works, who has been in the city several days on business, returned with him.

Ambrose Ward, the Pittsburg conductor who lost a leg a few weeks ago, is progressing in the direction of recovery in a most satisfactory manner. He was able to sit up yesterday for the first time since the accident.

George Scott, the veteran machinist who fell and broke the bone of his right thigh last Saturday afternoon, was taken from Hope hospital to his home on East Lewis street last night. The move was made upon the solicitation of the family. The unfortunate man appears to be getting along all right and the hope is entertained that the broken bone will speedily knit, notwithstanding the age of the patient.

Smoke and a tiny blaze was discovered issuing from a crack in the wainscoting, near the chimney, in the passenger station of the Lake Shore road at 3:30 yesterday afternoon. The flames were extinguished before any damage resulted, but it was a narrow escape, as the fire was in a place where it could not be readily seen and where there was plenty of combustible material for it to feed upon. One of the railway employes put out the fire and the department was not called.

Edward Leach is lying at the point of death at his home, on Eckert street. The old gentleman has been ailing for a long time and for the past two years has been unable to do any work. Mr. Leach worked in the Pittsburg shops forty years, most of that time in the tank department. When incapacitated by disease and age he went to Wisconsin, where he spent several months with his daughter. Last summer he returned to this city and has been sick ever since.

CARPENTERS MEET

Tomorrow Night and a Great Success is Assured.

Kennedy's Work in the Field of Organization Begins to Bear Fruit.

The work of booming the building trades through the efforts of D. F. Kennedy continues to go onward, and there is every evidence that Mr. Kennedy's labors in this field will bear abundant fruit.

Tomorrow evening at Nimrod hall, No. 54 East Main street, an open meeting will be held by Mr. Kennedy for the carpenters, both bosses and journeymen, and it is the desire of Mr. Kennedy that every carpenter in the city, employer and employe, attend the meeting. Mr. Kennedy has had thirty years experience in the building trade and has during that time been both a boss and a journeyman, and therefore is in a position to be informed on both sides of the question. Members of all other building trades in the city, such as hod carriers, painters, paper hangers, tinners, stone cutters, brick layers, stone masons, etc., will be welcome.

Last night, at the Jolly 65 hall, Mr. Kennedy met with a number of plasterers and talked to them on matters pertaining to the trade. His talk was straightforward, business-like and to the point. In the course of his remarks he told those present that the building trades were never in better condition for a mutual understanding between the bosses and journeymen than at the present time and gave reasons for his belief, and at the conclusion of his remarks his listeners, composed of bosses and journeymen, indorsed his ideas. Another meeting of plasterers will be held at the small hall of the A. O. U. W., corner of Superior and Calhoun streets, Thursday evening, and every plasterer present last night agreed to do his share towards bringing out all the plasterers in the city to the meeting. Other building trades can attend.

At the conclusion of the plasterers' meeting Mr. Kennedy, by invitation, called on the Barbers' union, and delivered a short address, which was full of good points and which was heartily applauded by the large number of barbers present.

Tonight Mr. Kennedy will deliver an address to an open meeting of Machinists upon the invitation of the Machinists' union.

Friday night another meeting will be held for the women of the city at the A. O. U. W. hall, corner of Superior and Calhoun streets. Every working woman in the city is urged to be present. In addition to speaking by Mr. Kennedy, a fine musical program will be rendered and everything done to make the attendance of the ladies agreeable. Men are urged to bring their mothers, wives, daughters, sisters, and all other lady relatives and friends to the meeting of Friday evening.

A brilliant dancing party was given at the Fort Wayne club by Mr. and Mrs. E. C. Rurode last evening for their daughters, Miss Valette and Miss Emma Rurode. Miss Alice Hardin, of Fulton, Ill., was a guest of honor. The decorations in natural vines and festoons of arbor vitæ were elaborate and beautiful, the costumes exquisite, the music entrancing. Reineke's full orchestra was present. Supper was served in the ladies' dining rooms and a bowl punch quenched the thirst of the dancers. The guests numbered about one hundred.

J. W. Hamilton, an attorney of Eaton, Ind., is in the city.

SETTLES NERVOUS BANKRUPTCY

Statistics show that ninety-five per cent. of all persons engaged in business in the United States fail. Investigation shows that men who succeed are men of brains, strong nerves, great will-power. Ordinary food and drink cannot supply the vital force which people with active brains and body require. **Bicola Pills** feed the nerves, make the mind bright, muscles strong, MAKE FLESH AND BLOOD and new energy, and give perfect manhood with all that perfect physical condition means. **Bicola Pills** are a great tonic for WOMEN—they give health and strength to the special organs and nerve centers. THE TURNERS OF PHILADELPHIA make **Bicola Pills.**

J. E. Buckey, Chief Clerk National Hotel, Washington D. C., testifies as follows: "I was all run down, had no appetite, troubled with sleeplessness, pains in the head, was a shadow of my former self. Your Bicola Pills have given me most wonderful relief. I have gained over twenty pounds, have a good appetite, sleep well and am my old self once more."

Six Hundred Dollars for the Relief of Firemen.

Report of the Firemen's Relief Association Shows That This Amount Was Disbursed Last Year.

City Clerk Newhouse this morning received the annual report of the Firemen's Relief association for presentation to the council this evening. The report is interesting inasmuch as it shows that last year the sum of $601 was disbursed for the relief of sick or disabled firemen. The association has on hand $2,305.21 in cash, and $2,850 invested in city improvement bonds. It has proved a blessing and will be maintained as a permanent auxiliary to the fire department.

Last Sunday, at Birmingham, Ala., occurred the wedding of Miss Rose Stiles and Henry Durst. The home of the bride is at Camden, Ohio, but for several years she attended school at Westminster seminary, in this city, where her sister had charge of the art department. Mr. and Mrs. Durst met in Birmingham, where one had been staying with a sister. The ceremony was to have taken place last June, but was postponed owing to the young lady's illness.

HANNA ON TOP!

Couldn't Beat Him in the Senatorial Race.

Carried the Election by a Majority of One.

The Senate Seventeen, the House Fifty-Six.

Democrats and Anti-Hanna Republicans Cast Their Votes for Mayor McKisson.

COLUMBUS, Ohio, Jan. 11.—Marcus A. Hanna will succeed himself in the senate of the United States. The combine of democrats and anti-Hanna republicans was beaten today at 11 o'clock, when both branches of the Ohio legislature assembled in their respective chambers to ballot for United States senator. The Hanna managers made good their claims that when the time arrived they would show enough votes to elect the Cleveland man, and when the votes had been taken they showed fifty-six for Hanna in the house and seventeen in the senate, a majority of one, and enough to elect him. The two branches of the legislature will meet in joint session tomorrow and if Hanna receives the same votes he received today he will be declared elected.

MARCUS AURELIUS HANNA.

Mayor Robert R. McKisson, of Cleveland, was Senator Hanna's opponent today. He is a republican and a bitter foe of Hanna.

After being in conference all night, the democratic caucus agreed on Mayor McKisson as the only representative proposed whom they would support for senator. The democratic caucuses were stormy and long drawn out. It was found absolutely impossible to agree upon either Governor Bushnell or Charles L. Kurtz. Both names were considered and both were given up as impracticable candidates. Then the name of Mayor McKisson was suggested. The democrats demanded to know whether McKisson was a free silver man. Not content with the assurance of Myers and other leaders of the fusion, they sent for McKisson. When that gentleman appeared, he made a speech to the caucus in which he said in substance:

"Gentlemen, publicly and before the people, I am and must be a republican. But I assure you and pledge you that if elected to the United States senate by this fusion, I will stand upon the Chicago platform." This pledge was satisfactory and the caucus declared for McKisson for both the long and short terms.

THE SENATE PROCEEDINGS.

Both branches of the legislature met at 10 a. m. and many regretted that admission by ticket had not been adopted. The crowd pressed in on the floors of both bodies and as the visitors were prominent constituents they were not put out.

In the senate the bill to repeal the fifty year street railway franchise came up and it was postponed till tomorrow. The bill has been used against Senator Hanna in organizing the legislature and in the senatorial fight. It was stated soon after assembling that all senators and representatives were in their seats and both houses voted to ballot at 11 a. m. for senator.

SENATE CHAMBER CROWDED.

The senate chamber, was crowded to its limit when, at 11 o'clock, the first move in the great senatorial contest was made. The report of the committee fixing the hour as the time for taking the ballot had been adopted some time before and this knowledge getting outside, the public crowed in.

When Lieutenant Governor Jones rapped for order and announced that the balloting for a United States senator was now under consideration, perfect quiet immediately reigned. Not a sound was heard.

BEGINNING OF THE END.

The people realized that the beginning of the end had come and that within a few minutes the vote that would largely determine who would be the next United States senator would come. Every senator was in his seat to record his action. At the side of many sat ladies and friends, whom they had brought in. It was just 11 o'clock when Senator Sullivan arose to nominate Senator Hanna. During the delivery of the address, it was a somewhat remarkable scene. The senators sat perfectly quiet, taking up every possible foot of space, and yet not a sound could be heard save the words of the speaking senator.

THE SENATE VOTE.

As Senator Burke pronounced the name of Mr. McKisson there was a perfect silence, this feeling could be plainly seen in the faces of the audience.

Senator Wolcott, of Cleveland, immediately seconded the nomination of Senator Hanna.

The nomination of Mayor McKisson was seconded by Senator Finck. Lieutenant Governor Jones then announced the ballot would be taken by the senators rising in their seats and naming their choice.

Two votes were taken, one for the short and one for the long term. The short term was voted for first and it resulted as follows:

For McKisson—Broerein, Burke, Cohon, Crowley, Decker, Doty, Finck, Harper, Jones, Keenan, Leek, Long, Miller, Mitchell, Nichols, Pugh, Robertson, Schaefer, Valentine; total, 19.

For Hanna—Alexander, Blake, Cable, Carpenter, Dodge, Garfield, Lutz, May, Plummer, Riley, Randall, Sheppard, Sullivan, Voight, Wightman, Williams, Wolcott; total, 17.

Senator Burke, of Cleveland, was the only republican in the senate who did not vote for Hanna. Senator Voight, the fusionist from Cincinnati, voted for Hanna, as did all the fusion republicans from Hamilton county, except Otis, who did not produce the dramatic scene that had been announced and was generally expected.

THE HOUSE GETS TO WORK.

At 10:40 a. m. a call of the house was demanded so as to put all on record as being present. The doors were locked and the hall was very quiet. No business was transacted during the first hour of the session. The workers of both sides were busily engaged in the lobbies. Senator Hanna, Mayor McKisson, Mr. Kurtz and other leaders kept up the contests at the hotels.

The call of the house showed that Representative Cramer, democratic member from Paulding county, was the only absentee, and the sergeant-at-arms was dispatched for him. Mr. Cramer is very sick. His physician forbid his attendance, but Mr. Cramer requested to be carried to the hall of the house.

On the first call, Dutton, of Morgan, and Mannel, of Montgomery, did not respond, but they were soon found in the lobby.

Quite a large delegation went to the bowling house of Representative Cramer to fight it out with his physician and family. After waiting a half hour the republicans moved that further proceedings in as the names of Griffith, of Union; Manuel, of Montgomery; Joyce, of Guernsey; Droste, Kemper and Lane, of Hamilton, were cast for Hanna was tremendous. Representative Otis desired to explain his vote, but was shut off under the rules and the balloting went on, with cheers in the gallery for Hanna.

BALLOT IN THE HOUSE.

For McKisson—Adams, Aikins, Alger, Barlow, Bolin, Booth, Bower, Bracken, Brumley, Cline, Connolly, Cox, Dorsh, Ducmell, Goward, Haiblin, Hater, Heyde, Hull, Hunter, Jones, Kenney, Kenney, Kempel, Ladwick, Matthrons, McCaulley, McClintock, Magee, Meiber, Munter, Niles, O'Neill, Otis, Payne, Piper, Powell, Ross, Rothe, Russell, Rutan, Schindler, Scott, Smalley, Spellmyer, Sivers, Swaine, Williams, Wason. Total—49.

For Hanna—Allen, Arbense, Armstrong, Ashford, Baldwin, Beatty, Bell, Bennett, Bessard, Bowman, Boxwell, Buck, Breeount, Chapman, Clark, Clifford, Davies, Davis, Drosile, Dutton, Griffith, of Clinton, Griffith of Union, Hinsdale, Howard, Johnson, Joyce, Kemper, Lane, Logue, Leland, Love, McCormick, McCurdy, McKinnon, Manuel, Meacham, Means, Morrow, Norris, Parker, Rankin of Clark, Rankin of Fayette, Retkey, Reynolds, Roberts, Shaw, Smith, of Adams; Smith, of Delaware; Snider, Stewart, of Clark; Stewart, of Mahoning; Strimple, Swingle, Taylor, Waddell. Total, 56.

Wiley, 1; Warner, 1; Lentz, 1.

When the result of the ballot was announced, Hanna, 56; McKisson, 49; Warner, 1; Wiley, 1; Lentz, 1, there was considerable stir on the democratic side.

Speaker Mason announced that Marcus A. Hanna, having received a majority of the votes of the house, was the choice of that body for the short term. The cheering outside the halls for Hanna was re-echoed in the ears of the members as the results were announced.

The ballot was then taken for the long term and it resulted the same, its announcement being greeted with another long and loud demonstration.

On both ballots Representative Cramer was absent and there were thus only 108 votes cast, as follows: Hanna, 56; McKisson, 49; Wiley, 1; Warner, 1; Lentz, 1; absent, 1.

BOTH HOUSES ADJOURN.

The senate and the house both adjourned this afternoon until 10 o'clock tomorrow. A joint resolution was adopted to meet in joint convention at noon tomorrow to canvass the vote cast today for senator. McKisson had a majority of two in the senate today and Hanna of three over all in the house. There was no election "de jure," but there was a "de facto" election. There is nothing to prevent changes tomorrow from the votes of today, but none are expected, as the canvass has been so close and thorough.

CONGRATULATING HANNA.

When the two houses adjourned there was a general stampede for the Neil house to congratulate Senator Hanna on the result of the balloting today. The feeling for him became intensely strong today because of the charges of bribery that had been made by his enemies against some of his friends. As many believed the charges to have been sprung for effect on the eve of the balloting there were many who said they did Hanna more good than harm today.

A WILD SCENE.

A remarkable scene took place in the senate chamber when the vote from the house was announced. The republican senators, inspired by the encouraging news, stood in their chairs and upon the floor and shouted themselves hoarse, with call for Hanna and victory. Nothing like it was ever seen in an Ohio senate chamber.

"What's the matter with Hanna," they shouted and the call came back:

"He's all right."

It was several minutes before the hall was cleared.

BRYAN AND SILVER

Brought Out the Oratory in Today's Convention.

Resolution Declaring for Silver is Introduced.

The Convention Goes on Record That Way.

Hon. Thomas R. Marshall's Re-election as State Committeeman Illegal on the Chicago Platform.

The convention of the Twelfth district democrats was held in the city hall this afternoon. To elect a member of the state committee to succeed Hon. Thomas R. Marshall, of Columbia City, was the purpose of the convention.

In point of attendance and in the character of the men who were present from every part of the district, the gathering was notable. The leaders and genuine workers in the ranks of the democracy of Northern Indiana were present and their deliberations were marked by earnestness and enthusiasm.

CALLED TO ORDER.

It was after 2 o'clock when District Chairman Thomas R. Marshall brought down his gavel, announcing the convention to order. He read the call for the convention and then proceeded briefly to address the assembly.

Mr. Marshall said that the party and under circumstances which republicans were pleased to declare the full burst of prosperity. Notwithstanding this, he said, democracy met hopefully and confident of the triumph of the party and the great cause of the people it represented.

The eloquent orator from "Little Wallibay" arraigned the republican party as the friend of monopoly and the creator and protector of trusts. He touched up President McKinley and Senator Fairbanks, repeating the senator's recent declaration that he could vouch that the president would "keep the bond." Mr. Marshall denounced government by injunction as a new lawgreat and rapidly extending principle that threatens the liberties of the freeman of the great American republic.

In conclusion, Mr. Marshall pleaded for an united democracy. At the close of his address Mr. Marshall announced that in view of certain announcements in morning papers he wanted to say that he was ready to step aside and that he could follow as loyally as he could lead.

CONVENTION ORGANIZED.

Hon. Willis Brown, of DeKalb county, was unanimously elected permanent chairman of the convention. On motion of Hon. Henry Colerick, Herman Michael was made secretary.

Next in order was the election of a member of the state central committee.

Mr. Brown, of DeKalb county, in an able speech nominated Hon. Thomas R. Marshall, of Columbia City.

Mr. A. S. Parker in a fervid speech demanded that before he voted he wanted a more specific declaration from Mr. Marshall respecting the silver question and the Chicago platform.

Mr. Marshall arose, in response, to say that he had always been a loyal democrat and that he always would and in all things be a loyal democrat. He declared he could would say no more.

A RESOLUTION.

Hon. Henry Colerick then arose to present the following resolution:

"Resolved, That this convention endorses the Chicago platform in every line and word and pledges itself in renewed loyalty to the gallant leader, William Jennings Bryan, and any person accepting the nomination of this convention do pledge his honor to aid in bringing about in 1900 the adoption of the same platform and the nomination of William J. Bryan."

Hon. T. E. Ellison made a strong speech endorsing Mr. Marshall for leadership.

George Lantit spoke for the resolution. Hon. O. L. Ballou, of Lagrange, made a ringing speech, both for the resolution and Mr. Marshall's re-election.

A. A. Adams, of Columbia City, made a strong address for Mr. Marshall, but opposed the resolution.

Judge W. G. Colerick made an eloquent speech for the resolution.

MR. MARSHALL ELECTED.

Finally the resolution and Mr. Marshall's name were united and passed by acclamation.

HOT ON HIS TRAIL.

Corbett Issues a Sensational Challenge.

Offers Fitzsimmons $25,000 for Another Fight and Agrees to Put Him Out in Ten Rounds.

St. Louis, Jan. 11.—At the close of the second act of James J. Corbett's play, "A Naval Cadet," at Hariin's Theatre last night, Corbett stepped before the curtain and announced that he would offer Fitzsimmons $25,000 for a finish fight, the entire sum to go to Fitzsimmons if Corbett fails to put him out in ten rounds.

Corbett intended to issue this challenge January 17, but decided to make it public last night.

After reviewing the great battles Fitzsimmons has fought and the purses accompanying them, and stipulating some ordinary conditions as to the choice of referee, Corbett concludes his challenge with these words:

"This is my final proposition; take it or leave it. If you really want fight, it offers; if you want money, a sum is ready, exceeding your gross receipts in five battles. If you want reputation, you can make it better by meeting me than by meeting all others together. If you doubt this, ask the public each night what you exhibit.

"That is my ultimatum. I am tired of this chatter. I want work, not talk. Paper gabblings do not suit me, and abuse is a coward's weapon. If this, my last offer, will not make you meet me like a man, it is because your Carson bruises are still aching so painfully that even $25,000 cannot tempt you to endure their certain removal. That is the only excuse you can now offer, or the American public will accept."

AT LARGE AGAIN.

Gustave Jacobs, the Insane Property Owner, Escapes.

Drives Away With John Hilmer's Rig and Eludes His Pursuers—Has Money in His Possession.

Gustave Jacobs, the Fort Wayne man who was found wandering about in Orange county while in an unbalanced mental condition, has again escaped and is at large. Jacobs, it will be remembered, had a large amount of money on his person when he left here. This was traced and found in Memphis and was turned over to Gus Wineke, son-in-law of Jacobs, of Chicago, who came here yesterday to take charge of the old man and take him to that city. Yesterday afternoon Wineke borrowed a rig of John Gelman, the meat dealer, and started out with Jacobs, intending to pay some bills which the latter owed. About 4 o'clock he drove up to the office of Dr. Rosenthal, on West Berry street, and went in to pay a bill. Jacobs, who was left alone in the carriage, took advantage of this laxity of vigilance and drove quickly away. His absence was soon discovered and Sheriff Melching was notified, but all efforts to find the man have so far proved unavailing. Jacobs is clearly insane. He had a small amount of money in his pockets.

Up to a late hour this afternoon nothing had been heard of the missing man.

And Its Tender Flesh is Literally Cooked.

Child Lives in Awful Agony, but Its Death Occurs a Matter of Only a Few Hours—Other Accidents.

This morning Carl, the three and a half years old child of Mr. and Mrs. Paul Keller, of 73 Wall street, fell into a wash boiler containing hot water and was so badly scalded that it will probably die. Mrs. Keller was scrubbing the floor and the boiler stood near at hand where she could reach it with the brush she was using. Her baby boy ran into the room and in an effort to escape hitting the boiler he turned suddenly and slipped, falling backwards into the steaming contents. The child's entire body was immersed. The intense pain threw the little one into spasms. When the clothes were removed patches of flesh came off with the garments which were worn next to the skin. Dr. Mera was summoned and he is doing all that is possible to save the unfortunate baby's life. There seems to be little or no hope for its recovery.

AN ODD CHARM.

John Mullen, special officer, had his left hand badly cut on a piece of sheet iron this morning. The wound was carefully dressed and unless blood poison sets in it will heal in a short time.

FALL CAUSED BY ICE.

Mrs. Martha A. Bishop, of 13 Erie street, while walking in the yard at her home this morning, fell on a slippery sidewalk, striking her head on the edge of a board and sustaining a severe scalp wound. Her back was also badly wrenched. The lady suffers much pain and as a result of her injuries will be obliged to remain in the house for several days, and perhaps weeks.

ANKLE SPRAINED.

L. D. Ward, a traveling salesman, suffers with a sprained ankle, the result of a fall. He will be kept from his regular duties several weeks.

REV. SAM SMALL

Finds "Backslidden Israel" a Fruitful Theme.

Preaches Against the Apathy Too General Among Church Membership—A Large Attendance.

Rev. Sam Small preached against the apathy which seems so general among the church communityship today. He said he was surprised, dumbfounded and almost paralyzed to see how utterly unconcerned many of the followers of Jesus Christ appeared to be. He selected his text from II Peter, the second chapter and twenty first verse: "For it had been better for them not to have known it, to turn from the holy commandment delivered unto them." He said in part:

"The obligations of the church rest too lightly upon the average member of today. The world looking on at the church says, 'Backslid is not what it should, beand is not occupying the exalted position she should.' And because of these little deficiencies and short-comings the world hesitates about uniting themselves and their destinies to such an organization. The world knows Christ as well as we do and because they fail to find Christ represented in the church, they have no great love for it.

"The church of Jesus Christ cannot distribute the confints of heaven to this sin cursed generation and recommend them as a panacea for all the ills that humanity is heir to, while they themselves are covered with leprosy of sin and suffering from the malignancy of these very things. The physician must heal himself. The church must put their religion into their lives. It must have the stamp of genuineness on the face of it."

Then Mr. Small made a call for the thorough consecration of the membership of the church, and many pressed toward the altar and prayed for a mighty work in our city. These meetings will be continued each evening this week in the Berry street church. The afternoon meetings will be held at Trinity M. E. church, corner Fourth and Case streets.

FATAL RELAPSE.

Miss Louise Hattendorf Dies of Typhoid Fever.

Her Brother Died of the Same Disease Four Weeks Ago—Death of Little John Dondero.

Miss Louise Hattendorf answered the beckon of the death angel last evening, at the St. Joseph hospital, having suffered a relapse of typhoid fever after her recovery seemed almost certain. Deceased was the daughter of Mrs. Caroline Hattendorf, of No. 30 St. Mary's avenue, and she was the second one in the family to succumb to the disease. Her brother, William Hattendorf, died four weeks ago. The young lady was ill at that time and was taken to the hospital, where she partly recovered. Deceased was nineteen years and six months of age. The funeral will take place Thursday, at 1:30 p. m., from the house, and 2 o'clock from Trinity Lutheran church.

GREATEST OF ALL.

The Tri-State Building and Loan Association.

Capital Stock of the Institution Increased to $5,000,000—Is Largest in the Country.

Capital stock, $5,000,000.

This may now be written of the Tri-State Building and Loan association of Fort Wayne, which now ranks as the greatest local financial institution of its kind in the United States. Its capital stock of $5,000,000 exceeds that of any other like association in the country.

This condition began last night with the consolidation of the three Tri-State associations of this city. This move is the consummation of a plan that had for some time been talked of and at last night's meeting was effected. All the stockholders were either present or represented.

Tri-State Building and Loan association No. 1, No. 2 and No. 3 are now one, and will still be known by the old title, without the numerical distinction. The consolidated association assumes all liabilities and becomes the owner of all the assets of the three companies. The stockholders participate in the assessments and benefits of each respective class, without regard to the association in which the stock was issued.

The officers of the Tri-State Building and Loan association as well as the directors, will serve in their several capacities in the consolidated association, C. A. Wilding remaining as secretary.

The same by-laws will govern the consolidated association as have heretofore governed the separate ones.

DRINK AND RUIN

Seem to be the Fate of Ed Maurer, the Barber.

Young Man Creates Another Sensation on Broadway This Morning—Notes in Police Circles.

Ed. Maurer, a Broadway barber, was arrested a few weeks ago for harboring a den of snakes in his place of business. The reptiles existed only in the liquor crazed brain of the proprietor but he was so determined to cut off the tails of the imaginary ones that the lives of persons in proximity to the scene were endangered and to save bloodshed the barber was taken to the police station. His fine was paid and he was taken in hand by friends, who secured a promise from him that he would keep sober. He kept his word until this morning, when he broke out again. Fearing that another bottle with the snakes would be fought the neighbors in great alarm had the patrol wagon send for. The barber was taken a prisoner and sentenced to jail for a term of thirty days. He will be sober when he comes out.

NOTES.

Two vagrants arrested by Detective Nicely were let go this morning.

Three train jumpers were arrested by the Pennsylvania officers today.

The police authorities here were notified by telegram today that Teddy Hogan, the mailbox thief and forger of checks, has lately operated in Pittsburg. Postoffice Inspector Moore, of whose visit here THE SENTINEL gave the particulars yesterday, has given the city officers and the banks all the information necessary to apprehend the wily criminal if he ever strikes Fort Wayne. Hogan is a desperate and dangerous crook, whose operations in the last year have covered more than $50,000.

A pitiable case of destitution came to the notice of Officer Richardson yesterday afternoon. William McCoy and wife walked into the city from the west, pushing a cart in which two little children were seated. They were all in rags and suffering with cold and hunger. Mr. McCoy stated to the officer that they were on their way to Lima, Ohio, where his father resided. It was their intention to walk all the way. Township Trustee Schmeltzer's attention was called to the case and he furnished the unfortunates with a good square meal and transportation to Lima.

E. W. Harvey, of Zanesville, Ohio, representing the Star Soap company, is at the Randall.

THE longer General Miles is at home the more apparent it becomes that he absorbed too much while in Europe.

KEARS of Ohio has made himself feared by the Hanna politicians even if he has not made himself generally popular with them.

THE plan to defeat Mark Hanna may be a wicked conspiracy, but there are a mighty big lot of people interested in its success.

THE suspicion gains ground that William D. Bynum has made his escape through the fair end of the hole into which he retired some months ago.

THE people of the United States are not so much concerned for a market for American securities abroad as they are for a market for their labor at home. The bugbear of "European distrust" of our financ—has not only been overworked but is about worn out.

A NEBRASKA republican has been appointed national bank examiner for the state of Kansas. This is probably money served on William Jennings Bryan that there are a few others scattered along the banks of the Platte.

THE fun in Ohio will not all be over with the election of a senator. The infantry of the next few days will crop out here and there in very frequent spots and occasionally in large patches every time there is a campaign for many years to come.

A PENNSYLVANIA democrat died and left his two grandsons $1,000 each on condition that they should support the democratic party through life. The old gentleman had a high and patriotic appreciation of the needs of his republican-ridden state and the legatees will live to understand that there can be no reward without merit.

A COURAGEOUS and nervy female in Chicago put to rout with her hatpin two hold-up men who were attempting to rape a street car conductor of his cash. This exploit presents a possible solution of the problem of the best means of grappling with a great and growing embarrassment to persons who are obliged to be robbed.

IN order to impress some Indians with the scintillating glories of the pale face civilization, two Seminoles in Indian Territory were burned at the stake by a mob of white men. From the day Europeans first set foot on American soil the Indian has had before him a constant object lesson of the Caucasian theory that the way to civilize a savage is to first rob and then wipe him out of existence. Poor Lo is good only when he is dead and he knows it.

THE Morning Journal has suggested the name of Hon. Walpole G. Colerick, of this city, as a fine possibility for the next United States senatorship from Indiana. It is worth considering from several points of view. Northern Indiana is entitled to representation in the United States senate. No man north of Indianapolis has occupied a seat in that body since the expiration of the term of Senator Pratt—who was from Logansport—upwards of twenty-five years ago. Northern Indiana democrats can present no better man than Judge Colerick. His pre-eminent abilities fit him for and his splendid services as a democrat entitle him to such a distinction. The democracy of the northern part of the state can find no better man around whom to rally in demand of recognition.

THE friends of silver may take both consolation and courage from President McKinley. In an interview with Senator Chandler, the most notable of all eastern Immutables, the president declared himself in favor of the double standard—gold and silver as basic money—and expressed himself as yet hopeful that an international agreement for the restoration of bimetallism would be reached. He further stated that he expected to send his envoys abroad again to labor with the financiers and governments of Europe to this end. Such a statement coming through Senator Chandler deserves credence. Moreover, it is entirely consistent with Mr. McKinley's public record up to the time eastern gold-mongers made a political platform for him to stand upon as a presidential candidate. But it is distressingly out of harmony with the president's message, with the recommendations of Secretary Gage and the currency "reform" bill prepared by the monetary commission. From this triple source the country has been informed that the single gold standard is the only sensible and scientific standard and that it is the purpose of the republican party to fasten it permanently upon the country. To send bimetallic envoys abroad while the government is preparing to redeem silver dollars with gold is to invite ridicule and humiliation for them from European financiers.

TALKED OF BATTLES.

The Rev. Dr. W. A. Spencer at Wayne Street Church.

Was on Eye Witness and Participant in Some of the Great Battles of the Civil War.

There was a large audience assembled at the Wayne Street M. E. church last evening to listen to the Rev. Dr. W. A. Spencer of Philadelphia. His topic was the "Great Battle Fields of the World."

Dr. Spencer was in the Union army for four years. He was an eye witness and a participator in many of the great battles of the late war. His lecture was a masterly review and comparison of the conflicts of ancient and modern times. It was replete with anecdotes and incidents. It abounded in fine description, in thrilling passages and eloquent flights. It was punctuated with tears, laughter and applause. It was of particular interest to the old soldiers, for he told them many a hearty compliment. The many youths present received a good lesson in patriotism. Indiana was praised for its noble sacrifices in men, and its exhibitions of heroism on many fields of blood.

The step is taken to facilitate bookkeeping, as under the new arrangement there will be only one set of books instead of three.

MILLIONS IN MONEY SAVED.

This Method of Saving Helps to Enrich the People.

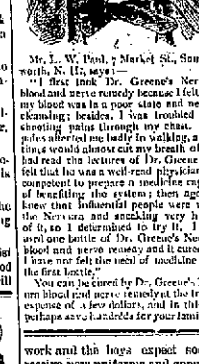
How the People are Saving More Money Than in Any Other Way.

A Way to Have What is Needed and Yet Save Enormous Sums.

The great millionaire, Rothschilds, said: "To save money is the secret of riches."

There are few larger expenses in the household than doctor's fees, together with the cost of filling prescriptions. Hundreds of millions of dollars are thus spent annually. It is evident, therefore, if this vast expense can be stopped, it will result in an enormous saving to the people.

Community is becoming keenly alive to this fact, since the people are rapidly learning the great truth that Dr. Greene's Nervura blood and nerve remedy is fast taking the place of physicians and their prescriptions in households everywhere, and that this really wonderful medicine will cure in cases where even physicians fail. People are waking to the sure and indisputable fact that a few bottles of Dr. Greene's Nervura will do more good in the average case than a hundred dollars spent for physician's fees and prescriptions.



Mr. L. W. Paul, 7 Market St., Somerville, N. J., says:

"I first took Dr. Greene's Nervura blood and nerve remedy because I felt that my blood was in a poor state and needed cleansing; besides, I was troubled with shooting pains through my chest. The pains affected me badly in walking, and at times would almost cut my breath off. I had read the lectures of Dr. Greene, and felt that he was a well-read physician and competent to prepare a medicine capable of benefiting the system; then again, I knew that influential people were using the Nervura and speaking very highly of it, so I determined to try it. I only used one bottle of Dr. Greene's Nervura blood and nerve remedy and it cured me. I have not felt the need of medicine since the first bottle."

You can be cured by Dr. Greene's Nervura blood and nerve remedy as the trifling expense of a few dollars, and in this way perhaps save hundreds for your family.

JOINT INSTITUTE.

Teachers of Wayne and Washington Townships Have an Instructive Session.

The joint institute of the teachers of Wayne and Washington townships was held at the county superintendent's office, January 8, 1898. All of the teachers were present at the forenoon session, a good indication for the coming year.

The opening exercises consisted of a duet by Miss Shives and Mr. Arnold. The second book of "Pinto's Republic," was discussed by Misses Green and Graham and Messrs. Clark and Baird. Comment was general and the discussion took a wide range, embracing much that was foreign to the subject.

County Superintendent Young gave an extended talk upon the false aims and purposes of our present system of education. He stated, as his opinion that our present school laws have outlived their usefulness and should be changed radically, if not entirely reversed.

The first exercise of the afternoon session was a duet, Longfellow's "Rainy Day," by Miss Shives and Mr. Arnold. The geography work was presented by Mr. Arnold and Miss Goshorn. This was followed by a general discussion. "Teaching the Language Arts," was given by Misses Myers, Walkly and Dalman and Mr. Pratt. Miss Green recited an extract from Whittlers', "Snow Bound." Miss Green not only recites well, but also selects well. The institute adjourned to meet at the county superintendent's office, February 5th.

Many men who would be startled at the bare thought of suicide, drink deliberately and daily a dose of poison, allows himself to be regularly and systematically poisoned day after day by accumulations of bile in the blood.
When the liver fails to do its part, what with Effer-fog this bilious poison out of the circulation, it goes on poisoning the entire constitution just as surely as if a man was drinking prussic acid.
Every part of the body is polluted. The digestive juices are suppressed and weakened.
The kidneys and skin are clogged with impurities and the lungs and bronchial tubes are choked with morbid secretions which set up the delicate tissue, and bring about bronchitis and consumption.
All the diseases caused by this auto-poisoning of bilious poisoning are cured by the marvelous alterative action of Dr Pierce's Golden Medical Discovery. It directly increases the liver's natural excretory and purifying powers; gives the digestive and blood making organs power to manufacture an abundance of red, rich, healthy blood. It drives out all impurities, and vitalizes the circulation with the life giving elements which restore perfect nutrition and build solid muscular power, and healthy nerve force.
"In August last, I was taken down in bed with a lingering and severe pains in my stomach and bowels, and extreme pain in my back," writes Ira B. Herring, Esq., of Sardinia, Erie Co., Pa. "My neighbors and friends called me up and gave up all hopes of my recovery, as I was in the last stage of consumption. I began to take your 'Golden Medical Discovery,' and Dr. Pierce's Pellets. Before I had taken one bottle of my cough was relieved, and before I had taken three bottles of the 'Golden Medical Discovery' and two vials of the 'Pellets' I was able to do my work and eat what I could not before. I took three medicines."

SHOP AND RAIL.

A Lake Erie and Western Train Has a Mishap.

A Slight Blaze in a Passenger Depot—New Electrical Motor—Local Gossip.

Passenger train No. 13, on the Lake Erie and Western road, which left this city yesterday afternoon at 4 o'clock, collided with a car loaded with steel rails just south of the city limits of Muncie, wrecking the engine and shaking up the train crew and the passengers, but not seriously hurting any of them. William Noff had a rib fractured, D. M. Tuttle and F. Farquhar each had their face and lips cut, Hannah Garrett had one of her limbs sprained and Postal Clerk Kennedy received a cut on his head by a falling lamp. All of the injured, except the postal clerk, reside in Cowan, Ind., and none were so badly hurt as to prevent them from continuing their journey. This is the first serious accident that has happened on this branch of the Lake Erie and Western since the accident at the junction, west of the city, in which Engineer Robert Kelley was burned.

NEW RAILROAD PROJECT.

TACOMA, Wash., Jan. 11.—It is definitely announced by A. C. Bratnober that the Rothschilds would build a railroad into the Yukon country over the Dalton trail. His brother, Henry Bratnober, of San Francisco, who is the Rothschild's western representative has the enterprise in charge. The railroad will be about 400 miles long. The cost of construction and equipment is estimated at $8,000,000.

PERSONAL AND OTHERWISE.

Blacksmith Frank Opatz, of the Pittsburg shops, is sick and off duty.

R. Drake, Nickel Plate fireman, has gone to Cleveland, Ohio, to visit friends a few days.

In the last five months the Wabash has reduced its floating debt from $800,000 to $400,000.

Another silk train passed through this city over the Pittsburg road this morning at an early hour.

John Muirhead, machinist at the Wabash shops, reported for duty this morning after an illness of a few days.

Master Mechanic B. Fitzpatrick, of the Pennsylvania, is in Cleveland today on business connected with his office.

Robert Reilly, stenographer to Superintendent Gorham, has gone to West Baden, Ind., for the benefit of his health.

After an illness of two weeks, Philip Rupp has resumed his duties as stationary engineer in the Pittsburg blacksmith shop.

John Smith is a new name on the Electric corporation's pay roll. He went to work in the machine department this morning.

M. Diedrich and A. Staley, Nickel Plate brakemen, are at work again, after an absence of a few days on account of sickness in their families. Brakeman J. Hamilton and L. Schoonover, also of the Nickel Plate, have resumed work after being absent on account of private business a few days.

The Bass works today shipped a large boiler to the Pennsylvania shops in Columbus, Ohio, where it will be erected in a few days.

W. S. Parry, for some months a bill clerk in the Wabash freight office, resigned last night. The position he vacated will be abolished temporarily.

E. A. Ford, general passenger agent of the Pennsylvania lines west, who for two days has been on a business trip west, returned to Pittsburg on Saturday.

Engines 30 and 341 have been repaired and turned out of the Pittsburg shops, and engines 331 and 283 were taken into that establishment this morning for repairs.

A car in a Wabash train jumped the track at the Huron street crossing at 6:30 o'clock this morning and blocked the railway and the street for a half-hour. Nobody hurt.

David McClure, of Toledo, formerly employed in the Wabash shops in this city, is visiting his old friends here. He is a son of the well known passenger engineer, Jack McClure.

A truck under the dining car in Nickel Plate train No. 1 became deranged yesterday and had to be cut out here for repairs. The work was completed in time for the car to be attached to No. 6 and sent east.

D. H. Kohler went to Eaton, Ind., today, to visit the works of the Old Fort Manufacturing company. F. A. Lamont, foreman of the works, who has been in the city several days on business, returned with him.

Ambrose Ward, the Pittsburg conductor who lost a leg a few weeks ago, is progressing in the direction of recovery in a most satisfactory manner. He was able to sit up yesterday for the first time since the accident.

George Scott, the veteran mechanic who fell and broke the bone of his right thigh last Saturday afternoon, was taken from Hope hospital to his home on East Lewis street last night. The move was made upon the solicitation of the family. The unfortunate man appears to be getting along all right and the hope is entertained that the broken bone will speedily knit, notwithstanding the age of the patient.

Smoke and a tiny blaze was discovered issuing from a crack in the wainscoting, near the chimney, in the passenger station of the Lake Shore road at 3:30 yesterday afternoon. The flames were extinguished before any damage resulted, but it was a narrow escape, as the fire was in a place where it could not be readily seen and where there was plenty of combustible material for it to feed upon. One of the railway employes put out the fire and the department was not called.

Edward Leach is lying at the point of death at his home, on Hobart street. The old gentleman has been ailing for a long time and for the past two years has been unable to do any work. Mr. Leach worked in the Pittsburg shops forty years, most of that time in the tank department. When incapacitated by disease and age he went to Wisconsin, where he spent several months with his daughter. Last summer he returned to this city and has been sick ever since.

CARPENTERS MEET

Tomorrow Night and a Great Success is Assured.

Kennedy's Work in the Field of Organization Begins to Bear Fruit.

The work of booming the building trades through the efforts of D. P. Kennedy continues to go onward, and there is every evidence that Mr. Kennedy's labors in this field will bear abundant fruit.

Tomorrow evening at Nimrod hall, No. 31 East Main street, an open meeting will be held by Mr. Kennedy for the carpenters, both bosses and journeymen, and it is the desire of Mr. Kennedy that every carpenter in the city, employer and employe, attend the meeting. Mr. Kennedy has had thirty years experience in the building trade and has during that time been both a boss and a journeyman, and therefore is in a position to be informed on both sides of the question. Members of all other building trades in the city, such as bod carriers, painters, paper hangers, tinners, stone cutters, brick layers, stone masons, etc., will be welcome.

Last night, at the Jolly 65 hall, Mr. Kennedy met with a number of pastrures and talked to them on matters pertaining to the trade. His talk was straightforward, business-like and to the point. In the course of his remarks he told those present that the building trades were never in better condition for a united understanding between the bosses and journeymen than at the present time and gave reasons for his belief, and at the conclusion of his remarks his listeners, composed of bosses and journeymen, indorsed his ideas. Another meeting of plasterers will be held at the small hall of the A. O. U. W., corner of Superior and Calhoun streets, Thursday evening, and every plasterer present last night agreed to do his share towards bringing out all the plasterers in the city to the meeting. Other building trades can attend.

At the conclusion of the plasterers' meeting Mr. Kennedy, by invitation, called on the Barbers' union, and delivered a short address, which was full of good points and which was heartily applauded by the large number of barbers present.

Tonight Mr. Kennedy will deliver an address to an open meeting of Machinists upon the invitation of the Machinists' union.

Friday night another meeting will be held for the women of the city at the A. O. U. W. hall, corner of Superior and Calhoun streets. Every working woman in the city is urged to be present. In addition to speaking by Mr. Kennedy, a fine musical program will be rendered and everything done to make the attendance of the ladies agreeable. Men are urged to bring their mothers, wives, daughters, sisters, and all other lady relatives and friends to the meeting of Friday evening.

A brilliant dancing party was given at the Fort Wayne club by Mr. and Mrs. E. C. Barrett last evening for their daughters, Miss Valette and Miss Emma Barrett. Miss Alice Hanlin, of Fulton, Ill., was a guest of honor. The decorations in natural vines and festoons of arbor vitæ were elaborate and beautiful, the costumes exquisite, the music entrancing. Rolmelo's full orchestra was present. Supper was served in the ladies' dining rooms and a 6 o'clock punch quenched the thirst of the dancers. The guests numbered about one hundred.

J. W. Hamilton, an attorney of Eaton, Ind., is in the city.

SETTLES NERVOUS BANKRUPTCY

Statistics show that ninety-five per cent. of all persons engaged in business in the United States fail. Investigation shows that men who succeed are men of brains, strong nerves, great will power. Ordinary food and drink cannot supply the vital force which people with active brains and body require. Bicola Pills feed the nerves, make the mind bright, muscles strong, MAKE FLESH AND BLOOD and now energy, and give perfect manhood with all that perfect physical condition means. Bicola Pills are a great help for worn-out, weary ladies and women, they give health and strength to the special organs and nerve centers. THE TURNERS OF PHILADELPHIA make Bicola Pills.

J. E. Backus, Chief Clerk National Hotel, Washington D. C., testifies as follows: "My self run down, feel no appetite, troubled with sleepless nights, pains in the head, woven shadow of my former self, took Bicola Pills three days and much wonderful relief. Three packed after twenty pounds, have a good appetite, sleep well and feel like a new man."

Six Hundred Dollars for the Relief of Firemen.

Report of the Firemen's Relief Association Shows That This Amount Was Disbursed Last Year.

City Clerk Manting this morning received the annual report of the Firemen's Relief association for presentation to the council this evening. The report is interesting, inasmuch as it shows that last year the sum of $600 was disbursed for the relief of sick or disabled firemen. The association has on hand $4,393.21 in cash and $25,250 invested in city improvement bonds. It has proved a blessing and will be maintained as a permanent institution by the firemen's department.

Last Sunday, at Birmingham, Ala., occurred the wedding of Miss Rose Stubbs and Henry Darst. The home of the bride is at Camden, Ohio, but for several years she attended school at Westminster seminary, in this city, where her sister had charge of the art department. Mr. and Mrs. Darst met in Birmingham, where she had been staying with a sister. The ceremony was to have taken place last June but was postponed owing to the young lady's illness.
